After decades of imprisonment and torture, Lyra finally escapes the darkness that stole everything from her, only to be captured again by Prince Oberon, heir to the Dark Realm.

Instead of returning her to her enemies, Oberon hides her behind powerful wards and impossible secrets. But as ancient magic awakens and dangerous truths surface, Lyra begins to question everything she knows about the fall of her kingdom and the prince she was taught to fear.

Some crowns are broken for a reason, and some hearts are destined to break with them.
